Message	<ol style="list-style-type: none"> 1. Dr. Hugh Gamble opened the meeting. 2. Dr. Mitchell introduced Cheryl Hamill to the group. 3. Tim Thomas, Director EC Healthnet -- Update us on EC Healthnet; teaching health center grant that has been applied for. 4. Bill Oliver, Hattiesburg, Forrest General--Update from Forrest General medicine Residency-- 6 new students, 3 DO's, 3 MD's. Family Medical Center in Hattiesburg Clinic. Spent 2 million this fiscal year; 3 million not spent due to no need to recruit faculty, because a facility/clinic space was already available no need to build a new facility. If money was needed in the future it would be for a long term free standing building. 5. Need access to information regarding any Mississippian who goes to med school anywhere in the country. Dr. Schlessinger-pre med advisors generally know where their students go to med school. 6. Must have stronger Family medicine emphasis in med schools. 7. Must have DO faculty. 8. Must have faculty from out of the area. Dr. Mitchell spoke of cross training for FG and UMC. 9. Mississippi Consortium --Dr. Luke Lampton mentioned outreach to other schools within a two-hour radius. Dr. Schlessinger mentioned UMC getting together with Family medicine groups to identify Mississippians in those focus groups. 10. Dr. Mitchell-1 million dollars left in budget that FG may not use-- If a need arises or a project comes up that it is possible to use the monies for the project. Dr. Jason Dees-creating a video to highlight all of the programs. 11. Dr. Luke Lampton-Mentioned connecting USM MPH with FG. 12. Dr. Denise Krause-Data /Research Update <ul style="list-style-type: none"> • Phase I- Health Workforce Data Repository • Phase II- Web Mapping Application <ul style="list-style-type: none"> ○ Demonstration of Geospatial mapping ability <ul style="list-style-type: none"> • Dr. Jason Dees mentioned CMS data, Medicaid data, AMA data

- Phase III - Visual analytics
- Phase IV- Conduct workforce research; mentor students; apply for grant funding

13. BRIEF BREAK

14. Dr. Mitchell

- Asked for feedback to go on handouts/fact sheets that will be put on tables and given to the governor, etc.

15. Training update-- Consortium issues with Delta Regional; Trip to Georgia; McComb hospital interested in training opportunities; Baptist memorial group of Memphis; OPTI can OMPW have an influence in creating an OPTI in this region?
